

Nannies Who Care
Since 1989

WHAT TO DO AFTER YOUR INTERVIEW WITH NANNIES WHO CARE

Update a Profile Photo, use a head shot (does not need to be professional) no other people, just you

Update your work history

Ensure your references have contact emails

Ensure your contact information is accurate, phone number, address, etc.

Update your availability (This is how we contact you with available jobs!)

Ensure there is no missing information on your application

Notify the agency which jobs you are interested in – check back frequently as the job board changes often

Complete your CPR Certification and provide a copy of your certificate to the agency

Follow and like NWC on social media

- [Facebook](#)
- [Twitter](#)
- [Linked In](#)
- [Pinterest](#)
- [Instagram](#)
- [Yelp](#)
- [Google+](#)

Watch the [informational video](#), then send NWC an email to indicate you have watched and understood the information

Read the cancellation policy, then send NWC an email to indicate you have watched and understood the information

Plan on attending the various training opportunities and events that NWC provides, especially National Nanny Training Day (certification provided)

Post your training certifications on your profile page, families like to see that you value continuing education

Nannies Who Care is Tampa Bay's Premiere Nanny Agency. We are such because of superior nannies like YOU! Help us maintain our prestigious status in the community by ensuring you present yourself in the best light possible. Be a professional nanny.
